

FISCAL NOTE

SB 2790 - HB 2873

February 25, 2002

SUMMARY OF BILL: Authorizes a department to issue a request for information (RFI) in lieu of or in addition to request for proposal (RFP) or invitation to bid.

ESTIMATED FISCAL IMPACT:

MINIMAL

Issuance of a request for information (RFI) is already a technique employed by the Department of General Services, Purchasing Division. Also the RFI is widely employed by departments as a prelude to a request for proposal (RFP). A model format is included in the Finance and Administration Service Contracting Policy Guidelines. It is estimated that the fiscal impact of this bill on existing practice is minimal.
